NOTE. It was found that using the Moran plan's data on courses #1 thru #7, Lot 1 would not close along courses #8, #9 & the 222.6 foot course, surveyed by me. Accordingly, the Moran courses were adjusted 10 clockwise, & closure was effected. Closure of Lot 2 could not be checked, due to lack of course data on 7-Star Lane & Reed Rd.

The Subdivision Regulations of the Town of Mason are a part of this plat, & approval of this plat is contingent on completion of all the requirements of said Subdivision Regulations, excepting only any variances or modifications made in writing by the Board and attached hereto.
